Contents: A1^r title page; A1^v blank; A2^r ‘Iuuenalis. | Iunij Iuuenalis Aquinat:| Satyra Prima. | (f)³
Emper ego auditor tm̄? nūq̄ ne reponā? | Vexatus tociens rauci Thefeide Codri |’; on O5^v
[end of Satire 16:] ‘Vt leti phaleris omnes: et torquibus omnes?’; colophon; O6 blank?

Typography: ???T; ???T; ???Schwabacher; no greek (transcribed in Satire IX, omitted in
Satires VI and XI); 3-line spaces for initials, with guide letters; type area ??? x ??? mm;
signed \$ i–\$ iij; no catchwords; running titles: ‘Satyra || Prima.’ (etc.)

Paper: ??? paper (??? x ??? cm): page size ??? × ??? cm.
20 edition sheets.

Presumably set from one of Landsberg’s previous editions. The reading ‘tociens’ in Satire
I, 2 is found in the earlier editions of 1502 (Juv061) and 1504 (Juv064) but the collation
and the wording of the colophon suggests the more recent Juv083 (1512).
